

## digital foundations task 1 - mail art

briefing thursday 24 th  
september

submission to arrive with  
Mark before friday 4th  
october

## background

mailart is a fun way of  
gaming the postal service  
and exploiting its own  
restrictions and quirks to  
produce creative outcomes

there are lots of examples  
of artists and designers  
doing this

search online for mail art

we looked at #mailart on  
instagram but you should  
search much wider

## brief

sum up your life in 6 words  
only and produce a piece  
of mail art on a postcard  
sized piece of card  
A6 148.5mm x 105mm -  
include the 6 words  
the piece can be drawn,  
collaged, assembled, cut,  
folded, painted - anything  
goes as long as it starts  
with a postcard, add a  
message for me - name and  
a bit about it  
PHOTOGRAPH IT, then post  
it ideally first class to
